Persian Collection

Saffron Infused Beef Brisket

We steep real saffron—the world's most expensive spice—directly into the brisket itself, infusing it with rich, floral notes that dance over deep smoke and melt-in-your-mouth bark. It's Persian royalty meets Texas pitmaster.

One bite and your tastebuds will need a passport.

Good luck finding this anywhere else—NONE of our “competitors” can even source real PERSIAN saffron, let alone afford it.

24K Gold NY Cheesecake

Decadence, redefined. Like the Shah himself.

Our ultra-creamy New York-style cheesecake gets the royal treatment—topped with hand-laid 24-karat edible gold.

Rich, velvety, unapologetically over-the-top.

Saffron “Persian” Ice Cream

If you know, you know.

Our rich, saffron-infused Persian ice cream is churned with rosewater and pistachio—floral, nutty, and refreshingly bold.

Fragrant, creamy, unapologetically luxurious.
